Avoid the Bronchial Coughs of Early Fall.

The changeable weather of early fall brings on bronchitis and a hard cough that is wearing on the system, and seems to tear open the bronchial tubes and mucus lining of the throat. Use Foley's Honey and Tar Compound promptly. For it will soothe and heal the inflamed mucus lining, relieve the cough quickly, and help to expel the cold. It contains no opiates. Get the genuine in the yellow package, and refuse substitutes. Dr. Stone Drug Store.

For every man who wants to borrow trouble there are a hundred willing to lend it.

Adenoids Are a Menace to Children.

Babies and young children must be carefully watched for the growth of adenoids, which spoil the mental and physical life of a child. They usually result from a succession of colds and throat irritations and their presence is so productive of harm, that many school boards have an examining physician to detect them. The conditions that cause them may be easily avoided by careful parents. Quickly and thoroughly cure all colds and throat irritations by the use of Foley's Honey and Tar Compound, and adenoids will not develop. Dr. Stone Drug Store.
